Logitech® for Business

Keyboard K200

- **One-touch access to frequently used applications**
- **Full-size, standard layout with number pad and horizontal six-pack; virtually silent, low-profile keys with bold, bright white characters**
- **Sleek, thin-profile keyboard with a spill-resistant design* and sturdy, adjustable tilt legs with rubber feet* Tested under limited conditions (maximum of 60 ml liquid spillage).**
- **Four media hot keys**
- **Plug-and-play USB connection**

Keyboard K200 for Business. Your to-do tasks – just one touch away. One-touch access to the Internet, e-mail, calculator and PC sleep helps you be more productive and save energy. You can type with more comfort and efficiency – and less distractions – thanks to the virtually silent, low-profile keys and full-size, standard layout with number pad. With its thin profile, spill-resistant design* and sturdy, adjustable tilt legs, this sleek keyboard not only looks and feels good – it's built to last. Four media hot keys give you instant access to volume, mute and play/pause. And a plug-and-play USB connection means no software installation or IT hassles.

* Tested under limited conditions (maximum of 60 ml liquid spillage).

Windows-based PC
